## Job Info

---

Site address :

Date :

Time :

Estimated job duration :

What we are lifting:

**Lift Plan** (measurements from crane to center of load for farthest reach and heaviest lift)

---

Distance in :

Distance up :

Weight :

Additional Notes :

Please inspect ground conditions prior to ensure there is firm level ground and a safe area for the crane to set up. Our cranes are equipped with straps and shackles. If you need any additional rigging be sure to request it when scheduling your job. Customers are responsible for all items below the crane hook which includes rigging up the load and signaling the operator. If you need a rigger or signal person for the job, please arrange for one when scheduling. An extra fee for rigger/signal person will apply.

We appreciate your business. Kelli will get back with you as soon as possible.

*This is not a confirmation of job. We can not guarantee the time you requested will be available.*
